

# IN-MELT THERMOCOUPLE

- In-Melt Thermocouple with Swivel Nut
- One-piece Construction (no parts to lose)
- Tested to 20,000 psi

MOLDERS CHOICE IN-MELT THERMOCOUPLES are the best thermocouples available when you need to know the exact melt temp. In today's market, keeping up with quality, you must have complete process control. Knowing and controlling the melt temperature will help you improve part quality.
