

TIE-BAR COVERS

Protect Your Parts from Grease & Oil Contamination

Protect your Tie Bars and Bushings from accidents during mold installation

- Thick, tough polyester sheet resists oil.
- Full-length plastic zippers allow easy Installation On/ Removal from Tie Bars. Velcro-type strip holds zipper closed.
- Powerful industrial magnets secure covers to platens.
- Stop tie-bar grease from contaminating parts.
- Avoid damage from small parts or labels jamming the tie-bar bushings.
