

Shock-Free Material Wand

Plastic Pellet Wand eliminates static shock to personnel

- Shock-Free Advance Polymer Technology
- Slick & smooth inner surface provides free flow of pellets, powders, regrind, etc.
- Durable, high-impact polymer construction
- Provides safe environment for employees

Features & Benefits:

- May eliminate the need for grounded loader hose
- Withstands temperatures to 150° F.
- Lightweight, easy to use
- Reduces contamination due to smooth surface
