

957 IONIZING COMPRESSED AIR CURTAINS

- RECOMMENDED FOR CLEANING PARTS
- AIR FLOW AMPLIFIER CLEANS WHILE NEUTRALIZING
- GENERATES SONIC VELOCITY AIR
- ECONOMICAL – MAGNIFIES COMPRESSED AIR BY OVER 2500%
- QUIET AND MAINTENANCE FREE
- Model 910 SHOCKLESS BARS INCORPORATED IN DESIGN

The airflow characteristics make the Air Curtain a valuable static eliminator because the air consumption is very economical and the concentrated output of the amplifier can neutralize static and remove dust at relatively long distances. The non-turbulent beam gives ionized air a greater life.

The depth of the beam of parallel ionized air depends on the air flows. The depth can vary from 2-1/4" at 10 psig 6" away up to 8" at 50 psig 48" away. 6' of armored high voltage cable are included with each bar.

SPECIFICATIONS:

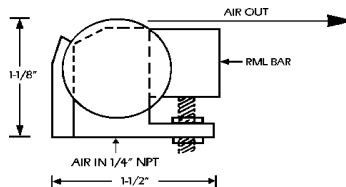

Operating Voltage: 7KV

Size: 3", 6", 12", 18", 24", 30" and 36".

Construction: Extruded from Aluminum

Air In: 1/4" NPT. Minimum of 10 psi dry, clean, oil-free air

Airflow: 4.3 cfm at 80psi per inch length.

PART#	LENGTH	PRICE
957-03	3"	\$325.00
957-04	4"	\$388.00
957-06	6"	\$555.00
957-12	12"	\$611.00
957-18	18"	\$671.00
957-24	24"	\$812.00

Voltage Power Supply available . . . page 254

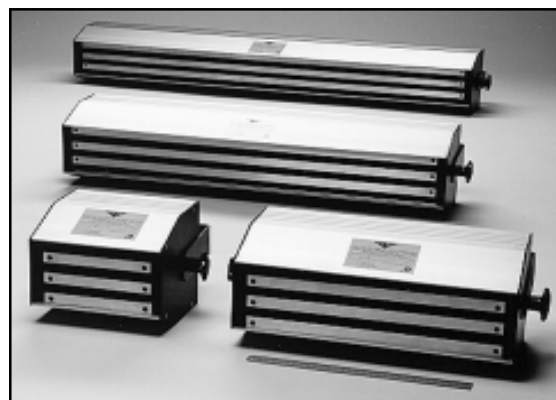

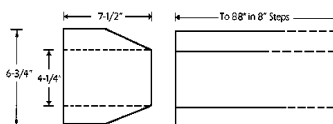

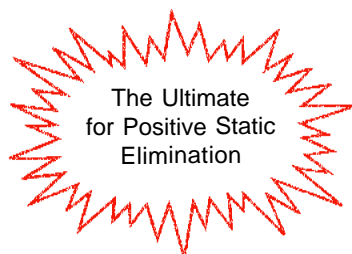

Coalescing Air Filter available . . . CF0375 3/8" **Inquire**
CF0500 1/2" **Inquire**

6 feet Armored and Shielded High Voltage Cable included with each bar

935 IONIZING AIR BLOWERS

- RECOMMENDED FOR LARGE PARTS
- POWERFUL IONIZATION
- EFFECTIVE UP TO 6' OR MORE
- CUSTOMIZED TO YOUR APPLICATION
IN LENGTHS TO 88"
- VARIABLE SPEED CONTROL

The 930 Ionized Blower incorporates a powerful ionization head with a blower. As the air is blown over the bars, it passes through intense ionization. The result is a field of effectiveness that extends up to more than 6 feet.

SPECIFICATIONS:

Operating Voltage: 110/240V, 50/60 Hz

Ionization supply: 7kV from 904 power supply

Sizes: 6-3/4" high x 7-1/2" deep x 8" to 88" long

Charge Decay Time: 1.6 secs. at 2' (2000V to 100V)

Airflow: Varies depending on size; contact MOLDERS CHOICE

Construction: Extruded aluminum and steel body with steel swirl brackets.

PART#	LENGTH	PRICE
935-08	8"	\$720.00
935-16	16"	\$940.00
935-24	24"	\$1271.00
935-32	32"	\$1497.00
935-40	40"	\$1881.00

Blowers include: Swivel Mounting Brackets, Fan Speed Control, 6 feet of Armored and Shielded High Voltage Cable

Voltage Power Supply available . . . page 254
